# CHIARA ANICITO

Comica, ma anche attrice, cantante, doppiatrice, speaker radiofonica e tanto altro. Originaria di Catania e poi trapiantata a Milano per inseguire la sua vocazione per l'arte dello spettacolo, Chiara Anicito è un'attrice comica di talento, spesso conosciuta con il nome di Cammela.

Chiara, infatti, è mamma nella vita, ma anche nei suoi divertenti sketch, dove veste i panni della mitica Cammela, la mamma di Santino, un personaggio che le permette di abbracciare e trasmettere tutta la sua sicilianità in modo sempre fresco e divertente.

Il suo talento e la sua passione l'hanno da poco portata a vincere il prestigioso Premio Charlot, premio dedicato ai comici emergenti
